

73

European Region

WEATHERPROOF

- Interior components protected against damage from rough weather

DURABLE

- Tough plastic construction

HANDY

- Easy to use push button switch
- Removable carry strap

BRIGHT

- Krypton bulb is 70% brighter than a standard bulb

The 73 is an economical lighting solution. This versatile lantern can use either D size batteries or a 6V lantern battery. The bright krypton bulb provides ample light and the durable plastic body resists damage from rough handling. It is an ideal choice for household use.

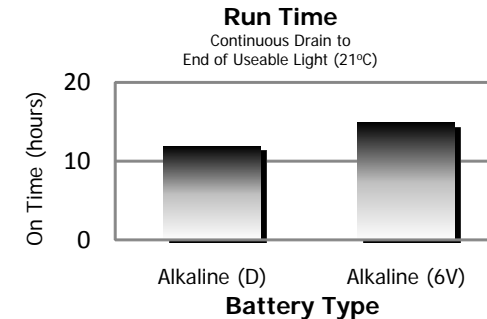

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
