

FL450BP

HANDS-FREE

- Light stands on its own

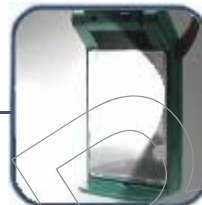

VERSATILE

- Folding design allows 180° or 360° use
- Low-drain Amber LED helps locate light

BRIGHT

- Reflecting mirror maximizes light output

ECONOMICAL

- Fluorescent tubes provide strong light with reduced battery consumption
- 40 hour run time.

Fluorescent tubes make the FL450BP a great area light. Reduced battery consumption combined with bright illumination make it an economical choice. A reflector inside the lantern doubles the light output and the folding design allows 180° or 360° use.

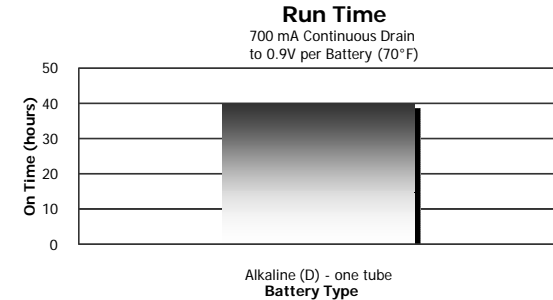

For convenience and versatility, an Amber LED nightlight pinpoints the light's location in the dark without significantly draining the batteries.

Product Detail:

Designation:	Contractor 4 D Folding Fluorescent Lantern
Model:	FL450BP
Color:	Green
Power Source:	Four "D"
ANSI/NEDA:	13 Series
Lamp:	Two F4T5 Fluorescent Tubes One Amber LED Nightlight
Lamp Rating:	4 W
Lamp Output:	95 Lumens
Typical Weight:	525 g (18.5 oz.) (without batteries)
Dimensions (in):	7.64 x 5.40 x 2.90

Performance:
