

# PRODUCT DATASHEET

## 3AA Handheld Light

### WEATHERPROOF

- Meets IEC 60529 IPX4 standards

### DURABLE

- Survives a 3-meter drop

### ROBUST

- Magnesium body is lightweight with exceptional strength
- Cooling fins provide heat management for the LEDs

### VERSATILE

- 3 modes of white light – spot for penetrating, long-distance beam (160 m), flood for area light, combo for both spot and flood lighting
- 2 levels of red light (high and low) for preserving night vision

## HCO3AA

A slim profile, lightweight durability and versatile lighting modes make the HCO3AA an ideal choice for the outdoor enthusiast. A high intensity white LED provides 130 lumens in spot mode. Two levels of red light preserve night vision. A flood setting provides diffuse area light. Convenience features include a heavy duty clip and a locking battery compartment. The light stands up to harsh weather; and molded in cooling fins provide thermal management for the LEDs, allowing enhanced brightness and longer runtimes. The light's many features confirm that it is Engineered for the Extreme™.

#### Before Using Your Flashlight:

Please read all instructions and cautionary markings on the package and light

### Product Detail:

<b>Designation:</b>	Night Strike 3AA Handheld Light
<b>Model:</b>	HCO3AA
<b>Color:</b>	Black and Orange
<b>Power Source:</b>	Three "AA" Lithium Batteries
<b>ANSI/NEDA:</b>	Series 15-LF
<b>Lamp:</b>	Two White Cree LEDs, 1 Red LED
<b>Lamp Life:</b>	Lifetime
<b>Lamp Output:</b>	130 lumens - High (Spot) mode
<b>Beam Distance:</b>	160 meters - High (Spot) mode
<b>Run Time:</b>	6h - Li, 12h - Alkaline
<b>Typical Weight:</b>	174 grams (with lithium batteries)
<b>Dimensions (mm):</b>	155 x 44 x 26

### Performance:
