

## HDL33A

European Region

### HANDS-FREE

- Light where you need it without having to hold it
- Swivel and tilt adjustment aims light

### VERSATILE

- Operates in 2 modes – flood and night vision
- Multiple position push button switch

### ECONOMICAL

- Runs 50 hours on one set of batteries
- LEDs never need replacing

### BRIGHT

- Uses premium Nichia® LED technology.

Lightweight, versatile and comfortable, the HDL33A is perfect for work that requires both hands. It puts light where you are looking with its swivel and tilt adjustment.

Variable light sources allow you to choose the best illumination for the job – white flood or night-vision red – without changing lights. Also, this light mounts securely and can be comfortably worn around the head for long periods of time.

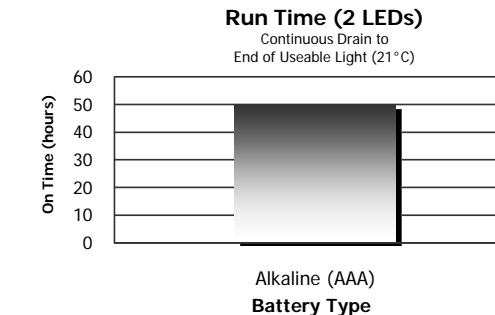

**Before Using Your Flashlight:**  
Please read all instructions and cautionary markings on the package and light
