

K250E

IMPACT RESISTANT

- Sturdy construction minimizes damage to internal components in rugged conditions

WATERPROOF

- Protected from water damage
- Floats for easy recovery

ECONOMICAL

- Long battery life for low operating cost
- Lifetime warranty

HANDY

- Industrial yellow color is easy to spot
- Hangs easily with lanyard and/or clip

A bright incandescent work light, the K250E stands up to heavy use. Protected by a lifetime warranty, it is a reliable, durable addition to any tool box. Larger, more traditional 2D format makes for long battery life.

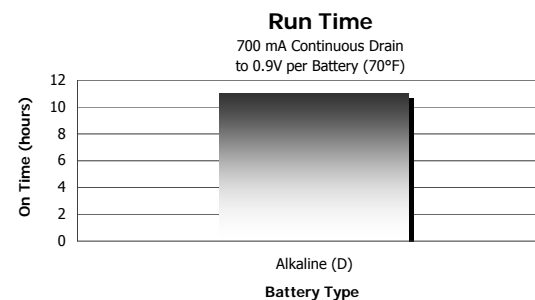

Suited for use in wet conditions, this light floats for easy recovery if dropped in water. In addition, the industrial yellow color helps easily locate the light in the toolbox or on the job.
