

R220E

NON-CONDUCTIVE

- Heavy duty rubber housing minimizes risk of electrical shock

NON-SLIP

- Square construction prevents rolling
- Textured handle area for secure grip

DURABLE

- Survives 7' drop test

FACETED REFLECTOR

- Provides wide, high-quality spot

A heavy duty rubber case makes the R220E ideal as a non-conductive lighting tool for electrical applications. In addition, it is safe to use for plumbing and wet areas.

A built-in lanyard and clip easily hang the light from nearby pipes or other extensions and its small size is convenient in tight areas. With an improved, faceted reflector you can count on this light to provide a wide, high-quality spot.

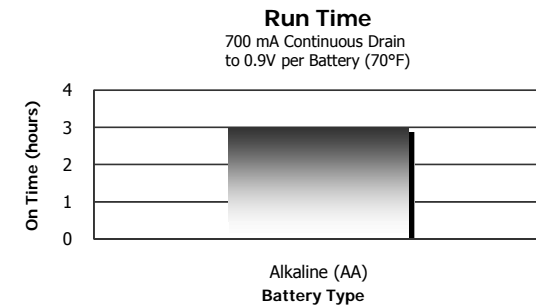

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

Designation:	Contractor 2 AA Ultra Grip Rubber Light
Model:	R220E
Color:	Black and Red
Power Source:	Two "AA"
ANSI/NEDA:	15 Series
Lamp:	KPR-104 Krypton beam
Lamp Rating:	2.4V, 0.7A
Lamp Output:	7 Lumens
Durability:	Survives 7 foot drop
Typical Weight:	118.4 g (4.2 oz.) (without batteries)
Dimensions (in):	6.48 x 1.80

Performance:
