RC110

Asia Pacific Region

The Energizer® ER 1W U-Tube Fluorescent Lantern is an economical, convenient lighting solution. There are no batteries to purchase and the fluorescent tube is replaceable. Multiple lighting levels allow you to select extra bright or less bright to prolong battery life. Also, the light requires no bulky adaptor. Its built-in cord just plugs into an outlet.

CONVENIENT

- AC Charging directly into wall outlet
- Auto on power feature automatically turns the light on during power failures

ECONOMICAL

- Replaceable 11-Watt U-shaped fluorescent tube
- Overcharge & over discharge protection to conserve battery life
- 2 and a half hours of light in high mode when fully charged

VERSATILE

- Multi-switch function for two light modes
- Keyhole for vertical hanging

BRIGHT

- Provides 30 lumens of light in high mode

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

- Designation:** Energizer ER 1W U-Tube Fluorescent Lantern
- Model:** RC110
- Colour:** White
- Power Source:** 6V 4.5Ah lead acid battery
- Lamp:** 11W, 9-inch Fluorescent U-tube
- Lamp Life (hr):** 10,000
- Lamp Output (lumens):** 30
- Beam Distance (m):** Not applicable to area lights
- Peak Beam Intensity (cd):** Not applicable to area lights
- Run Time (h:mm):** 2:30 - high mode
- Typical Weight:** 1,640 grams with Lead Acid Rechargeable Battery
- Dimensions (mm):** 750 x 275 x 150

Performance:
