"Made for iPod" and "Made for iPhone" mean that an electronic accessory has been designed to connect specifically to iPod or iPhone, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod or iPhone may affect wireless performance.

iPhone, iPod, iPod classic, iPod nano and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries.

Product Detail:

Designation: Insant Charger for iPod and iPhone

Model: PP-3AAAP

Color: Black "soft-touch" painted plastic

Control: Sync and Charge your Devices

Display: 1 Blue LED

Discharging:

Output Connector : iPhone 30-pin (MFi 5W network)

Output Voltage : DC5V +/-5%

Output Current : 1A Max

Output Protection Over voltage (when output>5.6V)
Low voltage (when output<3.3V)

Typical Weight: 45 grams

Dimensions (mm): 98(H) x 50(W) x 19(D)

Battery Protection: Low voltage

Environmental Conditions:

Operating Temperature : 0 ~ 40°C

Storage Temperature : -20 ~ 60°C

Device Operations: When an iPhone or iPod is connected to the output port, automatically starts charging; when press the button, charging will be stopped; when press the button again, will start charging again.

Before Using Your Charger:

Please read all instructions and cautionary markings on the package, manual and charger
