Ideal for wet areas, the Energizer® Industrial® Heavy Duty Flashlight is weatherproof and shockproof. A built-in hanger ring makes it easy to keep this sturdy light within reach. An impact-resistant housing reduces the chance of breakage from dropping and abuse and the chemical-resistant polypropylene body protects it from staining and corrosion. This light is a great choice for demanding job site conditions.

- **White LED provides 35 lumens of light.**
- **Meets requirements for IEC60529 IPX4 rating**
- **Light continues to operate after being exposed to splashing water from any direction**
- **Survives a 1-meter drop**
- **Resists staining and corrosion**
- **Intense beam shines usable light on objects up to 45 meters away.**

Before Using Your Flashlight:
