The Energizer® Value Rubber Light is designed to be a sturdy, reliable torch. The molded solid rubber body resists damage from dropping and the switch is recessed to prevent accidental actuation. The light operates for about 11 hours between battery changes (using EVEREADY® SHD AA batteries) and the LEDs never need replacing, making it an economical lighting choice for general use.

**BRIGHT**
- Two White LEDs provide 10 lumens
- Tight, even spot

**HANDY**
- Textured body for non-slip grip
- Attached wrist lanyard
- Stays in place on flat surfaces

**EASY TO USE**
- Push button switch operates simply, even with gloved hands
- Recessed switch prevents accidental actuation

**POWERFUL**
- Illuminates objects up to 25 meters away

Tested according to ANSI/NEMA FL 1 Standards.
