Approved by global safety agencies, the Energizer® ATEX Headlight is ideal for work in harsh conditions. The light is water resistant, dustproof and survives a 2 metre drop. Built to take tough conditions on the job, it provides a dependable hands-free lighting solution. Four lighting modes are controlled by 2 easy to operate push button switches. The light pivots to direct the beam where you need it; and the comfortable, adjustable head band stays where you put it, whether on your head or on a hard hat.

**Before Using Your Flashlight:**

Please read all instructions and cautionary markings on the package and light

**Performance:**

- **Run Time**
  - Continuous Drain to End of Useable Light (21°C)
