Lightweight, versatile and comfortable, the Energizer® 6-LED Headlight is perfect for electrical, plumbing, HVAC or other work that requires both hands. It puts light where you are looking and has a swivel adjustment with ratchet positioning for accurate aim.

Variable light sources allow you to choose the best illumination for the job — area, flood, spot or night vision. Also, this light mounts securely to hard hats or can be comfortably worn around the head for long periods of time.

**VERSATILE**
- Spot, flood, strobe and area lights plus night vision LEDs
- Push button switch cycles modes

**ECONOMICAL**
- Runs 26 hours on one set of batteries in high mode
- LEDs never need replacing

**WEATHERPROOF**
- Meets IEC 60529 IPX4 standards
- Continues to operate after exposure to splashing water from all directions
