The most versatile Dolphin ever! Its bright white LEDs project a wide beam for Area illumination. Just direct the light where you need it thanks to its 360 degrees adjustable stand. Lay it flat, hang it or let it sit on its stand, the light angle combinations are endless! ... and like all the Dolphin range it’s tough waterproof and floats. The XL version is ideal for DIY, outdoor use (camping, fishing, boating) and working. Hang it from the stand in your garage to have it ready to go!

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light.

** Light output measured from LED AT 60 mA rms. Value is only applicable to the LED. Actual device light output may vary.

* Using Energizer Max
