ESF2BU

The Energizer® LED Safety Flasher provides extra visibility for early morning and evening activities. Be seen while walking, jogging, or biking. The strong, versatile clip attaches to clothing, hats, backpack straps and more. Water-resistant, the light is ideal for outdoor use in inclement weather. In addition, it will keep flashing with visible light for up to 50 hours between battery changes (using 2 2032 Energizer® Lithium Coin Cells).

• Versatile clip attaches to clothing, packs and more
• Easy to use pushbutton switch
• Provides visible light for up to 50 hours using two 2032 Energizer® Lithium Coin Cells
• Continues to operate after exposure to splashing water from all directions
• Helps you to be seen during early morning and evening activities
• Ideal for walking and jogging

Run Time

Lithium 2032
Battery Type

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

Designation: Energizer LED Safety Flasher
Model: ESF2BU
Color: Red and Gray
Power Source: Two CR2032 Lithium Coin Cells
ANSI/NEDA: 5004LC
Lamp: 1 White LED
Lamp Life (hr): Lifetime
Run Time (h:mm): 50
Typical Weight: 20 grams
with 2 CR2032 batteries
Dimensions (mm): 23 x 36
