A handy addition to any purse or backpack, the Energizer® Soft Touch Keychain provides just the right amount of light to help locate a keyhole or a dropped object. The textured rubber handle provides a non-slip grip and the light remains on after activation—no need to continuously depress a button. Finally, the LED never needs replacing and the batteries are replaceable, making this light an economical personal lighting solution.

**ECONOMICAL**
- Lifetime LED never needs replacing
- Uses replaceable batteries

**CONVENIENT**
- Textured rubber handle for non-slip grip
- After activation, no need to hold down switch to use light

**HANDY**
- Key ring attachment included
- Easy to find slide switch

**Performance:**
- Run Time: Continuous Drain to End of Usable Life (25°C)

**Before Using Your Flashlight:**
Please read all instructions and cautionary markings on the package and light
