Thank You for Choosing the Eveready® AA•AAA Charger

Please read this manual before you use the charger, and save it for reference.

Batteries: Nickel Metal Hydride (NiMH) Rechargeable batteries

Sizes: AA and AAA

Recommended: Eveready® NiMH Batteries

CHARGING

1. Load Batteries into Charger
   - Charges 1 or 2 NiMH AA or AAA’s at a time.
   - Insert batteries with the polarity marks (+ and -).

2. Plug in the Charger
   - Plug charger into a standard AC outlet.

3. Charge
   - LED light glows red when batteries are charging
   - Remove the batteries after recommended charge time.

4. Store
   - Unplug the charger from the AC outlet.

SPECIFICATIONS

Model: EVCPC6

Charger: AA•AAA batteries

Input Voltage: 110-120V 60Hz/50Hz

Charging Current: 1.1A (2 AA) 500mA (1 AAA)

Features

- Auto timer at 14 hrs
- Reverse-polarity protection

WARNING

- To avoid personal injury and property damage from, but not limited to, the risk of electric shock or fire.
   - Charge only Nickel Metal Hydride (NiMH) rechargeable batteries.
   - Charging other types of batteries may cause them to leak, rupture, or explode.
   - Do not open battery, dispose of in fire, put in backwards, risk with used or other battery types or short circuit — may ignite, explode, leak or get hot causing injury.
   - Use the charger only in dry locations. Keep away from rain, snow, or excessive moisture.
   - This charger is intended to be in a vertical or floor mount position.
   - Never plug battery chargers into an extension cord.
   - Do not operate the charger if damaged.
   - Do not disassemble; modify any part of the charger; or attempt to use the charger as a power source.
   - Unplug before attempting maintenance or cleaning.
   - For use in other countries beyond USA, attach the proper plug adapter.
   - This product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
   - Children should be supervised to ensure that they do not play with the household.

ONE YEAR LIMITED WARRANTY

This Eveready® product is warranted only to the original purchaser upon presentation of proof of purchase, to be free from defects in materials and workmanship for one year from date of original purchase provided that no other repairs, alterations or modifications had been attempted by unauthorized personnel. Not applicable to damage caused by normal wear and tear or misuse. Repair or replacement of charger at Eveready® option. Call 1-800-353-3132 for warranty service. Warranty is limited to consumer use only. No warranties expressed or implied are made by manufacturer except as listed above. The exclusion or limitation of incidental or consequential damages is not applicable to you. Warranty does not apply to you. Warranty is void if the Eveready® battery is not fully charged. Questions?
