Recommended: Evertreyy® NiMH batteries

Charging

1. Load batteries into charger
   - Always charge AA/AAA sized rechargeable batteries in pairs.
   - Insert batteries to match polarity marks (+ and -).

2. Plug in the charger
   - Plug the charger into a standard AC outlet.

3. Charging indication
   - Two LED indication:
     - Red On: Charging
     - Red Off: Charging complete
     - Red/Blink: Primary/Back battery detection

4. Store
   - Unplug and remove batteries from charger when charging completes.
   - Remove from AC outlet and store.

Warning

To avoid personal injury and property damage from, but not limited to, the risk of electric shock or fire:

1. Charge only Nickel Metal Hydride (NiMH) rechargeable batteries. Charging any other types of batteries may cause them to leak, rupture or explode.
2. Do not open battery, dispose of in fire, put in backwards, mix with used or other battery types or short circuit – may ignite, explode, leak or get hot causing injury.
3. Use the charger only in dry locations. Keep away from rain, snow or excessive moisture.
4. This charger is intended to be in a vertical or floor mount position.
5. Never plug battery chargers into an extension cord.
6. Do not operate the charger if damaged.
7. Do not disassemble, modify any part of the charger, or attempt to use the charger as a power source.
8. Always unplug before attempting maintenance or cleaning.
9. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
10. Children should be supervised to ensure they do not play with the appliance.

ONE YEAR WARRANTY

Evertreyy warrants to the original purchaser that if this product suffers a defect in material or workmanship (excluding damage caused by wear and tear or misuse) within one year from the date of purchase, provided that no other repairs, alterations or modifications have been attempted by unauthorized personnel. Evertreyy will repair or replace the product (at Evertreyy’s option) without charge and reimburse your shipping cost. To claim under this warranty, contact Evertreyy using the address or freecall details below, and return the product (with proof of purchase) to Evertreyy at that address. Other than reimbursements of your shipping cost, you will bear any expense incurred in claiming under this warranty. This warranty gives you specific legal rights, and you may also have other rights which vary from country to country. In particular, Australian consumers should note that our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
