**FL452WR**

Extended runtime and optimized light output make the Energizer® Weatheready™ LED Folding lantern an exceptional area light. Based on 5 hours of use per day, it produces light in high mode for up to 1 month between battery changes. In low mode, the lantern provides useable light for 120 hours. The versatile design folds down for compact storage or folds out for 360° lighting. In addition, an Amber LED nightlight helps locate the lantern in the dark.

**ECONOMICAL**
- Useable light for 59 continuous hours in high mode with 1 set of Energizer® MAX® batteries
- Lifetime LEDs never need replacing

**BRIGHT**
- Eight White LEDs provide 118 lumens of light with the lantern in the full up position

**VERSATILE**
- Integrated carrying handle
- Pivots to light 180° or 360° for task or area lighting

**HANDY**
- Folds for easy, compact storage
- Amber LED nightlight
