HCTMOS11L

A wealth of features makes the Energizer® Hard Case® Tactical® Romeo Compact Vest Light an ideal lighting choice for work in the field. You can expect 8½ hours of bright white light (using 1 AA Energizer® Ultimate Lithium battery). In addition, it is convenient to carry, with magnets and MOLLE/OTV/MTV mounting. Its one touch on/off pushbutton allows easy operation. Finally, the ROMEO light has proven durability. It withstands a 3-meter drop test and is fully waterproof.

**Bright white LED provides 43 lumens**

**TIR lens reflects light outward for intense, brighter beam.**

**VERSATILE**

- MOLLE/OTV/MTV attachment with magnets
- Optional red and blue secondary lenses store on tailcap

**DURABLE**

- Withstands a 2-meter drop test
- Advanced polymer construction

**WATERPROOF**

- Meets IEC 60529 IPX7 standards
- Continues to operate after immersion to a depth of 1m for 30 minutes

**Performance:**
