HD33A1EN

Lightweight, versatile and comfortable, the Energizer® Industrial® 3 LED Headlight is perfect for work that requires both hands. It puts light where you are looking with its swivel and tilt adjustment.

Variable light sources allow you to choose the best illumination for the job – white flood or night-vision red – without changing lights. Also, this light mounts securely and can be comfortably worn around the head for long periods of time.

Performance:

- **Run Time**
  - Continuous Drain to End of Useable Light (21°C)

- **On Time (hours)**
  - White LEDs
  - Red LED

- **Alkaline (AAA)**

Before Using Your Flashlight:

Please read all instructions and cautionary markings on the package and light.
