HD33AOD

Lightweight, versatile and comfortable, the HD33AOD is perfect for any outdoor work that requires both hands. It puts light where you are looking and has a swivel adjustment with ratchet positioning for accurate aim.

Variable light sources allow you to choose the best illumination for the job – white flood or night-vision red – without changing lights. Also, this light mounts securely and can be comfortably worn around the head for long periods of time.

VERSATILE
- Operates in 2 modes – flood and night vision

ECONOMICAL
- Runs 50 hours on one set of batteries
- LEDs never need replacing

BRIGHT
- Uses premium Nichia® LED technology.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light.
