HD5L33AI NE

Lightweight, versatile and comfortable, the Energizer® Brilliant Beam® Industrial® 5 LED Headlight is perfect for any job that requires both hands. It puts light where you are looking and has a swivel adjustment with ratchet positioning for accurate aim.

Variable light sources allow you to choose the best illumination for the job – flood, spot or green – without changing lights. Also, this light can be worn comfortably around the head for long periods of time.

- Dedicated Green/White switches
- Pivots to aim light where you need it
- Adjustable elastic headband with handy pencil holder

Performance:
