Children’s play often requires both hands; the Energizer© Low Cost LED Kids Headlight is the perfect choice in these situations. Kids can see and you can see them in the dark. The comfortable strap secures the light around the head and the LED lamp provides ample illumination. This light features a shatterproof lens to protect the lamp from breakage and an easy to operate push button switch. Finally, each package contains 2 lights, an added value.

- Shatterproof lens protects lamp from harsh environments
- Adjustable head strap allows hands-free operation
- White LED provides 12 lumens of light.
