HDL33AINE
Asia Pacific Region

Lightweight, versatile and comfortable, the HDL33AINE is perfect for electrical, plumbing, HVAC or other work that requires both hands. It puts light where you are looking and has a swivel adjustment with ratchet positioning for accurate aim.

Variable light sources allow you to choose the best illumination for the job — flood, spot or red. Also, this light mounts securely to hard hats or can be worn around the head for long periods of time.

VERSATILE

- Spot light, flood light, or red LEDs
- Multiple position push button switch

COMFORTABLE

- Mounts over hard hat with no slippage
- Headband designed for comfort

HANDS-FREE

- Light where you need it without having to hold it
- Swivel adjustment aims light

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Performance:

Run Time (2 LEDs - Spot or Flood)
700 mA Continuous Drain
to 0.9V per Battery (21°C)
