HDL33AOD

Lightweight, versatile and comfortable, the HDL33AOD is perfect for any outdoor work that requires both hands. It puts light where you are looking and has a swivel adjustment with ratchet positioning for accurate aim.

Variable light sources allow you to choose the best illumination for the job – flood, spot or night-vision red – all without changing lights. Also, this light mounts securely and can be comfortably worn around the head for long periods of time.

VERSATILE

- Operates in 4 modes
  - 2 White LEDs for spot
  - 2 White LEDs for flood
  - All 4 White LEDs for maximum light
  - 2 Red LEDs for night vision

ECONOMICAL

- Runs 50 hours on one set of batteries

BRIGHT

- Uses premium Nichia® LED technology.

Performance:

Run Time (2 LEDs)
