BlackBerry Curve 8900 door

- Take off the door from your phone per BlackBerry instructions.
- Peel off the protective seal on the back of the Energizer Qi door.
- Insert the top and snap in the bottom of the Energizer Qi door.
- Keep this door on permanently. This is a one-time replacement.
- Put your phone with the Energizer Qi door on one of the Qi charging areas and you're charging!

Light On = CHARGING
Light Off = FULLY CHARGED
