LED Carabiner Clip Light

KCC2BODBP

The Energizer® TrailFinder® LED Carabiner Clip light provides an easy way to keep light at your fingertips. The handy carabiner clip lets you attach and detach the light quickly. The TrailFinder® LED Carabiner Clip light operates with an instantaneous on switch. It illuminates objects up to 23 meters away and provides ample light for checking a map or finding dropped items. It will provide 7 1/2 hours of continuous useable light with one set of 2 Energizer® CR2016 batteries.

**ECONOMICAL**
- Continuous useable light for 7 1/2 hours using replaceable Energizer® CR2016 Lithium coin cells
- Lifetime LED never needs replacing

**POWERFUL**
- Bright White LED illuminates objects up to 23 meters away

**BRIGHT**
- White LED provides 7 lumens of light
- Sufficient light for finding dropped objects or checking a map in the dark

**HANDY**
- Convenient carabiner clip for quick access to light
- Lightweight and compact

**Performance:**

**Before Using Your Flashlight:**
Please read all instructions and cautionary markings on the package and light
