When you need a light to carry for a long hike, the Energizer® Mini Lantern steps up to fill the place. It’s compact, folding design fits easily in any pack and it adds very little weight. This light is powerful despite its size, featuring three bright white LEDs. In addition, the light will last 38 hours on one set of Energizer® MAX® batteries in high mode. In low mode, the light lasts for 110 hours.
