ENERGY STAR

PRODUCT DATASHEET

Energizer® Light on Demand™ Twin Light Center

LODLC2BY

EVERYDAY
- Detachable area light and a combination flashlight and area light
- Use in place or undock and use anywhere

EMERGENCY USE
- Use included battery pack or 3 AAA batteries
- One light stick turns on when power goes out

CONVENIENT
- Free-standing or mount to wall or under cabinets
- No wiring or electrician needed

ENERGY EFFICIENT
- More than 5X the energy efficiency of an incandescent bulb
- External power supply is Energy Star® approved

The LODLC3BY is a versatile home lighting center that includes detachable area lights, a combination area light and flashlight and a nightlight/emergency light. On "Low," it is a soft nightlight. On "High" it provides bright area lighting. Plus the Energizer® Light on Demand™ pack can be undocked and used anywhere. In the event of a power outage the Find Me™ light helps locate your lighting center. The sticks can also use AAA batteries.

Performance:

Run Time
Continuous Drain to End of Useable Light (70°F)

Before Using Your LODLC2BY:
Please read all instructions and cautionary markings on the package and light
