Energizer® Light on Demand™
Wall Sconce

LODWSBR/LODWSNK

The LODWSBR/LODWSNK is designed for accent lighting and mounts with no wiring or electrician required. Add to the ambiance of any room easily. Mounting hardware and the charging base are included. In an emergency, the light stick may be removed for portable lighting lasting up to 10 hours before needing to be recharged. In the event of a prolonged power outage, the light stick will operate using AAA batteries.

The sconce is available in two finishes: brushed nickel and polished brass.
