Approved by global safety agencies, the Energizer® Intrinsically Safe™ 2 AA LED Flashlight is ideal for work in harsh conditions. The light is waterproof, dustproof and survives a 1-meter drop test. A built-in carabiner belt clip allows quick access and the compact size fits easily in any toolbox. Internationally approved, the safety orange color provides instant recognition. The White LED lamps supply steady, bright illumination.

**Before Using Your Flashlight:**
Please read all instructions and cautionary markings on the package and light.
