MS2AALED1

Approved by global safety agencies, the 2AA ATEX torch is ideal for work in harsh conditions. The Energizer® 2AA ATEX torch is waterproof, dustproof and survives a 1-metre drop test.

A built-in carabiner belt clip makes for easy access, while the internationally approved orange safety color provides instant recognition. The White LED lamps supply steady, bright illumination for about 12 hours between battery changes (using Energizer® MAX® batteries).

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
