Approved by global safety agencies, the Energizer® Intrinsically Safe™ LED Handheld is ideal for work in harsh conditions. The light is waterproof, dustproof and survives a 1-meter drop test.

A built-in carabiner belt clip makes for easy access, while the internationally approved orange safety color provides instant recognition. The White LED lamp supplies steady, bright illumination for about 68 hours between battery changes using Energizer® MAX® batteries.

- Meets IEC 60529 IPX7 standards
- Continues to operate after submersion in 1 meter of water for 30 minutes
- Survives a 1-meter drop
- Shatterproof lens
- 68 hour run time between battery changes using Energizer® MAX® batteries
