Great for kitchens, hallways and bathrooms, the NLPIAUT provides that extra measure of safety for navigating in the dark. Requires no attention – plug it in and the photoelectric sensor will turn the light on automatically when needed. When the bulb needs replacing, the light uses easy to find, standard night light bulbs.

- Uses standard C-7 nightlight bulbs

Photoelectric sensor turns light on in the dark and off in the light automatically

- UL listed
- Polarized plug
