632526

Powered by Energizer® MAX® AAAA batteries, the Energizer® AAAA Penlite features an ultra slim design that easily fits in shirt pockets and backpacks. The shatterproof polycarbonate lens is globe-style for 360° light projection. In addition, the case is made of non-conductive E-glass, making the light suitable for use in electrical applications.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light.
