Big light in a small package, the Energizer® Hardcase Inspection Light is designed especially to provide light in hard to reach places. The flexible wand ends with a bright white LED capable of illuminating small places with ease. In addition, the wand is detachable so the torch can be used separately. The light is weatherproof and there is a seal for the end of the torch when the wand is detached. Great for use on the job, in the garage, or in the home.
