**RCE4AA2**

Asia Pacific Region

A bright, lightweight lantern, the RCE4AA2 is ideal for emergency situations. It is weatherproof and the light comes on automatically if the power goes out. In addition, it features a cushioned grip and an easy to operate push button switch. The charging time is 12 hours and there is an indicator light to let you know when your light is fully charged. It has overcharge protection, so you can safely leave the light plugged in all the time.

**BRIGHT**

- Krypton bulb is 70% brighter than standard bulb

**LONG LASTING**

- Runs about 100 minutes per full charge*

**CONVENIENT**

- Wall mount bracket provided
- Light comes on when the power goes out

**WEATHERPROOF**

- Resists damage from exposure to rough weather
- Meets IEC 60529 IPX4 standard

* Approximate time. Will deteriorate with use.

**Performance (mm):** 265 x 122 x 75
