Compact, portable and durable, the Energizer® Hard Case® Professional® LED Area Light serves many of a tradesman’s needs. Take this area light along with you and mount to any metal surface with its strong magnets. Or secure the included mounting plate to a wall for a fixed light you can remove and take with you easily. Protected by a tough rubber over mold, the light can survive a 3-meter drop. And operation is easy, even with gloved hands. Just press the lens to activate.
