Strong, light and work-friendly construction in a compact size – that's the Energizer® 2 LED Rubber Light. Sturdy construction helps the light survive a 1-meter drop. It features a non-slip textured rubber handle and a pushbutton switch that's easy to operate, even when wearing gloves. In addition, it's ready for when you need both hands. Just flip down the built in stand.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
